

# EVER DREAMED OF **BUILDING** A ROBOT?

APRIL 2025

## WHAT'S HAPPENING @ BOTSPOT?

### Day 1: Robotics & Model Building

Introduction to Robotics & STEM | Build Your Own Robot

### Day 2: Sensor Concepts & Coding

Learn about sensors | Program your robotic model

### Day 3: Preparation for our Robotics Challenges

Build & code in real-world tasks | Get competition ready with exciting, hands-on challenges

### Day 4: Strategy & Performance Boost

Refine your robotics skills | Learn strategies to ace our robotics competitions

### Day 5: Grand Finale – BotSpot Robotics Showdown!

Compete in a thrilling final challenge | Showcase your innovations & celebrate achievements!

## WHAT AWAITS YOU?

**BUILD & CODE  
YOUR OWN ROBOT**

**REAL TOOLS,  
REAL LEARNING**

**FUN CHALLENGES  
& COMPETITIONS**

**PERSONAL ATTENTION  
IN SMALL BATCHES**

**DURATION: 5 DAYS (MON TO FRI)  
2 HOURS OF HANDS-ON LEARNING**

**PHONE : 8939786599  
MAILBOX : mohina@botcodes.in**
